reimbursement

For parents of young children, opportunities to get out for a night together are often few and far between. Add to that the expense of paying for childcare, and sometimes it just seems like it's not worth the effort.

But it is worth the effort, which is why we've decided to take care of the *expense* part of the equation by offering reimbursement for childcare costs for a couple who attends a Hot Date Night or 8 Cities event sponsored by Elevation.

All you need to do is fill out the basic information below and leave it in the basket before you leave the event. A cheque for \$15 will be mailed out to you as a small investment in your marriage on behalf of your church community.
