

Elevation Mission Team - May 2019

Our Survey told us that there are a variety of ways the Elevation community likes to participate in Mission. This was through finances (thank you for your generous support of Elevation so we can continue to have such a robust Mission budget), staying informed, volunteering, attending an event and praying. This list provides ways for you to do all of that.

- **Learn** more about and support Adventure4Change at a Coffee and Dessert Evening Saturday May 11, 7pm at 451 Philip St. - Matter of Taste entrance
- Plan to take the discussion time on **Sunday May 12th** to hear from Tyson Malo about the work of Ninos Con Valor in Bolivia
- Talk to Courtney, journey@elevationwaterloo.org to find out how you can be part of the refugee initiatives that Journey is participating in
- Attend one of the monthly FaithTech conversations
- Volunteer with Adventure4Change at **Africa Camp** (Aug 12-16) or **5 Fun Days** (Aug 19-23)
